

## History

It all started in 1939 with 22 dedicated women who saw a need in our church and our community. Our fundraising efforts have helped fund rectory repairs, school improvements as well as many outreach programs over the years, including scholarships for disadvantaged youth. Over the years, our service projects have included rolling bandages for the Red Cross during WWII, supplying cookies and wrapped gifts to servicemen at Camp Kilmer (the largest embarkation center for troops heading to Europe during WWII), and making blankets for new mothers at Raphael House.

## Ladies' Auxiliary Prayer

Lord, we ask you to bless us with the gifts necessary to help create a vibrant community of love in our corner of your world. – Saint Rose of Lima Parish

May compassion, loyalty, prayerfulness, conviction, reverence and humor be the earmarks of our Auxiliary. Let us strive quietly, forcefully and sincerely to create an atmosphere which declares that we weigh the things of time on the scale of eternity. Thus we can reflect on Christ, the center of our lives.
